## How Does Your

Sander Bokkinga of **Bok** may fondly recall childhood summers in the Dutch countryside, watering the plants and spraying himself to cool off. When remembering epic grapple-fests with the garden hose, however, he's less nostalgic. He exacts decorative revenge with the 6-foot-high Hose floor lamp, which harnesses a whopping 229 feet of hose to a standard

work light. How the lamp stays upright is his secret. All he will say on the matter is: "There's magic inside." (A curious note: There could actually be water inside—the hose is still completely functional.) Will wonders never cease? The Hose Furniture series also includes a lounge chair, a dining chair, a stool in two sizes, and a vase. 31-62-845-58-74; [sanderbokkinga.nl](http://sanderbokkinga.nl). **circle 408** ➤
